Dear Arrowmen:

Welcome to the Gulf Ridge Council and Flaming Arrow Scout Reservation. We sincerely hope your stay here will be both enjoyable and memorable.

Flaming Arrow Scout Reservation is less than one year old and as you can see we are still building. In fact we have three or four more complete camps to build before it is finished. Each camp is designed for 250 Scouts so you may find your size group a bit crowded. Also, the camp was planned with rugged Scout-type camping in mind so please don't be disappointed if you don't find resort-type comforts. Being a real camper yourself, we are sure you will be right at home here.

If you have any questions or need help, please contact either our Camp Ranger - Don Prior, our Director of Camping - Ray Heck, or any of our District Executives; each will be pleased to help you.

The outstanding fellowship and inspiration you experience will be the most important part of your stay here. We extend to you our best wishes for a most successful meeting. On behalf of the 12,000 Scouts of this Council, again let us say 'a hearty welcome to you all'.

GOOD CAMPING TO YOU,

Dan Stowe  
President

Herbert Wilkins  
Scout Executive
