Dear Brothers,

Welcome to Camp La-no-che and the 1980 Section 6 Conference.

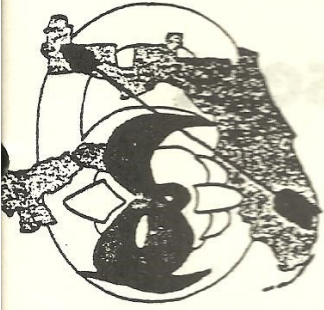

We at Tipisa Lodge feel that we have put together a Conference that promises to be the best in many years, and one that you will remember for a long, long time.

During this weekend, you will have an opportunity to meet Arrowmen from across the state of Florida and the Panama Canal Zone, also, to take part in training sessions, the Quest for the Golden Arrow, fellowship, and much more. I urge all of you to take part and participate in all events of the Conference. We promise that you will have a great time and lots of fun with many memories to go along with it.

Yours in Cheerful Service,

*Charlie Boza*

ORDER OF THE ARROW · B. S. A.

---

My Brothers,

As your 1980 Section Chief, I am pleased to welcome you to the 1980 SE-6 Conference. The Host Lodge has put in many hours of time in making this Conference a great success, and with your help, it will be.

I would like to encourage all Arrowmen to attend all of the training sessions this weekend, as this is the main goal of the Section Conference. The session leaders are very active Arrowmen who 'know their stuff.' All we need is for you to take advantage of this. The Conference theme, Leaders in Service, will help everyone to become better Arrowmen.

Again, welcome to the Conference and have a great time.

Yours in Wiaachtendienk,

  
Tico Perez  
SE-6 Chief

# SE-6, Past and Present

In 1972 during National reorganization, Area VI-E was retired, and Section 6 was born. During this time, three Lodges were added which encompassed the entire state of Florida, small parts of Georgia and Alabama, and the Canal Zone. Since its formation, eight successful Section Conferences have been held.
