Quest for the Golden Arrow

There will be nine (9) events in the Quest for the Golden Arrow. No later than Saturday morning at 8:30 a.m. each Lodge will go to the Camp Office and select six (6) of the events which the Lodge will participate in for the Quest.

The following events will be run simultaneously:

Sets	A.	(1 & 9)
	B.	(3 & 5)
	C.	(8 & 4)
	D.	(2 & 7)

The events:

1. *Six Man/Seven Legged Race* - (6 Arrowmen); Compete for best over-all time. The legs of six men will be tied together and the team will travel over a distance of 30 yards. Time begins upon signal and ends when the entire team has crossed the finish line. In case of tie there may be run-off races in which the raw time will be counted.
2. *Tamah Keeta Mile Run* - (4 Arrowmen); Compete in relay race of 1/4 mile for each runner. Baton must be passed to next runner within 10 feet of 1/4 mile marker. Best total time wins.
3. *Swim Relay* - (4 Arrowmen); Each swimmer must cover 50 yards, 2 lengths of dock. In order of swimmers - Butterfly, backstroke, breast stroke, and free style. Five second penalty will be assessed for use of wrong stroke or false start (after first for each swimmer). First completion or best time will determine winner.
4. *Snow-shoe Race* - (5 Arrowmen); On five man shoes (provided by host) the team must travel on the shoes and cross the finish line. First to cross is winner. Tie will be broken by run-off race.
5. *Rifle Shoot* - (3 Arrowmen); Rifle, ammunition and targets will be furnished by host Lodge (.22 cal. single shot/bolt action). Each Arrowman will fire three targets with five rounds each. Score will be determined by best target score of individual being averaged for total Lodge team score.
6. *Greased Watermelon* - (4 Arrowmen); Lodges are paired (by original drawing) for competition. Team must move watermelon from center of area across their goal line. Best time to determine winner. Tie will be broken by play-off.
7. *Paddle-less Canoe Race* - (3 Arrowmen); Race will begin at signal and end when canoe crosses the finish line. Canoeist may use only hands to move canoe. This is not a sink-a-thon and a team may be disqualified for fouling another canoe.

8. *Flag Pole Raising* - (4 Arrowmen); 3 members will lash three poles together to form one. The fourth member will tie a banner to the top of the pole, and attach guide wires to the pole. After the lashings are complete, three will raise the pole and stake the guide wires. Clock will stop after the pole has stood alone for three seconds. 19 seconds will be added for improper lashings. Best time is winner.

9. *Physical Fitness* - (2 Arrowmen); After the first man completes the first standard the second man begins. There are eight standards on the course designed from military plan and includes wall climb, hand-over-hand, tunnel, swing, etc. Time begins when first signal is given and ends when second man crosses the finish line. Best time is winner.
