

# 1982 SECTION CONFERENCE NEWS

SE-1 ADMIT APRIL 16-18 1982

Dear Fellow Arrowman,

On behalf of Timuquan Lodge 340, I would like to extend a hearty welcome to you, to the Section One Conference, Order Of The Arrow, for 1982.

We have worked very hard to make this gathering a success, so we hope you will enjoy your weekend as our guest. Many activities have been planned for your Conference. If you have any questions or need assistance, just ask any Host Lodge worker...he will be glad to help.

Along with the fun and games, I hope too that this Conference will achieve its serious purpose of helping us all to "Seek the Arrow" by more clearly understanding the role and purposes of our Order, and the deeper meaning of our ideals. Reflecting on my own experience as a Boy Scout, I can say that the Order of the Arrow provides many cherished experiences and memories...such as hearing 4,000 Arrowmen giving Dr. E. Uner Goodman a prolonged standing-ovation at the 1977 National Conference...of seeing new Scouts at summer camp benefiting from something you built as a work project...the "high" of the Vigil...seeing Lodge spirit and brotherhood growing...and so on. This was Dr. Goodman's vision for the Order when he founded it so many years ago, so "Let Us Seek the Arrow", our Conference theme for 1982.

QUEST

All Lodges are reminded that they must register this morning in Conover Hall for this afternoon's quest.

TRIVIA

You will win a special prize if you are the first to answer THE EAGLE'S trivia question for the day and come to our news offices. What was the Osprey and the Rainwater Lodge?

NEW MAP?

All those familiar with Camp Soule will notice a slight change this weekend. It seems on the pamphlet maps Osceola and Calusa campsite are reversed. Instead of reprinting all the maps, the names of the two campsites have been changed for the weekend.

The Eagle is the official publication of the 1982 Section One Conference. It is printed three times a year in two year cycles in nine year periods.

### PUBLISHERS MINUTE

At this edition it appears all Arrowmen are enjoying themselves. This morning's seminars were well attended and a wealth of knowledge was gained. One of the instructors hit the panic button. No screen or a table to show slides. After a mad scramble success was gained. Of course this was History and Purpose of the O.A.

Have you stopped to think about what you wanted to receive from the Conference? An incredible variety of activities were offered today. This morning with the Seminars- Patch Trading. This afternoon the Quest events were held with heated competition. Not all sure this was due to the sun, but what really came out was good healthy competition between Lodges. Therefore, you need to decide what benefit you gained out of today and can share it with others at home.

### OSCEOLA #564

This year our Lodge has doubled last years attendance to the Section Conference with 16 to last years 8 delegates. We hope to double our attendance again next year,

We will be having our Fall Fellowship on October 9th at Camp Dr. Franklin Miles. For any information about this, contact the Southwest Florida Council Service Center, 1815 Boy Scout Drive, Ft. Myers, Fla. 33905

### TIPISA #326

Tipisa enjoyed the Friday night stay at Camp Soule. Our Arrowmen arrived at all times of the day and night. Early this morning we were up and going. Our Lodge complements the well cooked breakfast.

We all then attended the seminars put on by our brother to the enjoyment and

great interest of all. After the seminars we straightened up our tents and camp site. We now are heading to lunch and if it is as good as breakfast the other Lodges don't have a chance in the Quest.
