The SE-1 Carnival

This year the SE-1 Carnival will be a great way to kick off a great conference. After you've gotten settled into your campsite, come on down to the dining tent for some exciting games, and a chance to win some outstanding prizes. The Carnival will last from 7:00 till 8:30 and will be a great way for your lodge to get wound up for an exciting opening show. Everyone will be a winner, so be sure to be there.

Conference Trading Post & TK Grill

The Conference Trading Post will be open during scheduled hours selling conference items. Because delegates were provided an opportunity to preorder conference items, the number of items available at the trading post will be limited. These remaining items will be available on a first come, first serve basis.

The TK Grill will be operating adjacent to the Conference Trading Post, 24 hours a day for the duration of the conference. A variety of fast food items will be available at a low cost.

Indian Events

Lodge Chiefs will be notified of registration procedures for Indian Events, at the Friday Night Council of Chiefs by the Head Judge. Singing and Craft competitions will be held Saturday afternoon, with the remainder being held at the Festival of Feathers that evening.

Conference Newspaper

The conference newspaper will be published four times during the weekend. Those arrowmen wishing to contribute should stop by the Publications Office. Newspapers will be distributed at meals and will be available at the information booth.

Tug-of-War

The tug-of-war competition will be held beginning at 10:30 on Saturday morning, in the Large Amphitheater. Each lodge may have two teams. The first is composed of ten members, weighing 130 lbs. or less, the second is made up of 10 members regardless of weight. This event has been scheduled in the morning so your entire lodge may attend, and cheer your team on to victory.

Adult Sink-a-Thon

This time honored section tradition will begin at 11:15 Saturday morning down at the waterfront. Each lodge is allowed one team composed of two "willing" advisors. They will be provided with a canoe, a paddle, a #10 can, and an ample supply of water. The last team afloat will be the winner.

Ceremonial Competition

This year's Ceremonial Competition will be held beginning at 1:00 Saturday afternoon. Lodges should schedule their performance time with the Head Ceremonial Judge Friday night at the Council of Chiefs meeting. The competition will cover the Pre-ordeal, and will be held in the small Amphitheater.

King's Cup Competition

King's Cup judging will begin at 10:00 Saturday morning, in the dining tent. Historians should insure that their displays are in place before this time. Conference delegates are welcome to stop in and view the various displays.
