Training is a key emphasis for the weekend. On Saturday morning several training seminars will be presented, and are described in detail in this Passport. For each training seminar you attend, your Passport will be stamped. Collect four stamps, and you can purchase a training pin for just \$1.00 that can be placed on your conference patch. It's easy to obtain ... don't miss out!

Saturday afternoon will be filled with Native American craft, dance and singing competitions. In addition, you can witness the premier ceremony teams in the Section compete for top honors. Don't forget to stop by the Meninak Lodge and see the King's Cup Display featuring bulletin boards from around the Section. The highlight of the afternoon is the Quest for the Golden Arrow. More information on all of the competitions is in this Passport.

This is only a quick overview of the weekend. There are plenty of activities so everyone can participate. Keep this Passport with you, as it will be your guide to everything you do. Get involved and have a great conference!
