Fellow SR-4 Brothers,

Welcome to the 1994 SR-4 Conference. On behalf of the Conference Committee and Semialachee Lodge I would like to welcome you to Wallwood Boy Scout Reservation. Many hours of cheerful service have gone into making this weekend something that we can all be proud of.

We hope that every lodge will take advantage of many opportunities available at the section conference to train their lodge as well as the opportunities to show the section what your lodge has accomplished this year.

One of the new additions to the conference this year is the Active Arrowman award. This award is a combination of the participation pin from past conferences and the activity pin from N.O.A.C. We hope it will be an incentive to get you to participate in events that you might not have otherwise participated in. Please read the requirements in the back of this guide so that you can become eligible to earn this award.

As the host lodge we are here to help you in any way possible, please feel free to come to us with any need that you might have. We want to help make your stay at our camp as comfortable and enjoyable as possible.

I hope to see all of you at the second annual Brotherhood Bash on Saturday evening.

In the Spirit of the Order,

David Hensarling
1994 SR-4 Conference Chairman
Semialachee Lodge #239

CONFERENCE INFO & ACTIVITIES

SAFETY - First Aid will be provided by members of the US Army National Guard. Additionally, we have arranged for medical assistance with the local volunteer fire department and the Tallahassee Memorial Regional Medical Center. The First Aid area can be found beside the Health Lodge.

FOOD SERVICE - In order to accommodate the number of anticipated delegates at this conference, we will provide meal service in two shifts. Meals will be served to Arrowmen wearing one of the two colored meal bands to be issued with each delegate's registration materials. The meal band is the only indication a delegate is registered and must be worn at all times.

ORDEAL LUNCHEON - A special luncheon will be held on Saturday at 12:00 noon honoring all Ordeal members at the conference. If you are an Ordeal member, you and your lodge chief are invited to be a part of this special event.

TRAINING SEMINARS

Training seminars will take place Saturday morning between 9:00 and 11:00. There will be four seminars that relate to the general lodge program and four seminars that relate specifically to Indian events. The training seminars will last approximately thirty minutes with fifteen minute breaks. The first session will offer seminars 1 & 2 from each category, the second session will offer seminars 3 & 4, and the third session will offer 1 & 2 again. **Session 1 - 9:00-9:30; Session 2 - 9:45-10:15; Session 3 - 10:30-11:00.**

1. **Lodge Officer Protocol** - This seminar will help answer the age old question of "Now that I'm a Lodge Officer, what do I do?" It will help new and future officers to see their responsibilities and to fully realize their potential.
2. **Situational Leadership** - This seminar will put its participants in certain situations and allow them to determine the course of action to be followed. It is designed to give arrowmen a better understanding of certain common situations.
3. **ASK (Arrowman Sharing Knowledge)** - This seminar will feature ideas on the ASK program distributed by the National Committee three years ago. The seminar will give ideas on how to start the program in your lodge.
4. **Nimat** - This seminar will explain how to implement the Nimat program in your lodge and the benefits that it can have on the year-round program. The Nimat program is the Elangomat program for Brotherhood members.

The following seminars are especially for Indian hobbyists. These seminars will count toward the Best Trained Lodge Award and the Active Arrowman Award as well.

1. **How to Catch the Judges' Eye** - This seminar will focus on what attracts the judges' attention and what they like to see from dancers during competition. This seminar is ideal for any beginning as well as experienced dancers who plan to compete at NOAC in 1994.

2. **Warrior Societies of the Plains Indians and their Link to the Pow Wow** - This Seminar will detail the effect of the Plains Indians on the modern Pow Wow. It will explain the origins of this dance and the many influences on it.
3. **Coats and Shirts of the Seminole** - This seminar is designed to give examples and share ideas of patterns for the making of the Seminole shirts and coats which have become increasingly popular. Hands-on examples and work will enable participants to create their own Seminole clothing.
4. **Seminole Beadwork** - This seminar will show how to make Seminole items with beadwork and which items often used such decoration. It will describe the original uses and show examples of artifacts found with beadwork designs intact.

ADULT TRAINING WORKSHOP: At 1:30 pm, during the Quest events, an adult Training Workshop will be offered for all adults in attendance at the conference. Among other topics, this session will discuss the role of the adult in the Order of the Arrow and will be held at the Handicraft Lodge.
