ArrowCorps5: Which site should I go to? – So many choices; so little time. Find out about the projects and recreation at each site.

OA High Adventure – Learn more about the 3 programs taking place at Philmont, Northern Tier, and Sea Base. Answers how you can register what you will do for the best two weeks of your life.

The New Strategic Plan – Explanation of the new OA Strategic Plan and will discuss how we can "Live the Legacy".

The Roles of Youths and Adults in the OA – How a youth can best work with an adult and vice versa to ensure the success of our program.

Running a Successful Chapter Meeting – We've all been to a chapter meeting, but how do you make them fun and informative? That's what we hope to answer.

Patch Trading for Beginners – Patch trading is a great way to meet people and learn about other programs and lodges, so learn proper etiquette and practices.

OA Unit Elections: What works best – Elections are vital to our organization. If they are done properly, they can leave a lasting impact on all scouts; whether they are elected or not.

OA Camp Promotions – The OA was founded at a summer camp and it is our duty to continue the promotion of summer camps, high adventure, and camping in general.

OA Scoutreach Mentoring Program – The foundation has been set; now it's time to put our plan into action.

History of the Order of the Arrow – Find out how our organization got to be where it is today through interesting, funny, and informative information.

How to Get Involved in the OA – Hopefully by the end of this session, you will find out about new ways to "get involved" and make an impact on your chapter, lodge, section, or region.

Brotherhood Conversion – Wondering how to increase your brotherhood conversion rate? Find out at this awesome session.

Lodge Programs: Let's share what we do – Every lodge has different programs that they are proud of; let's share programs in place and ideas for future lodge programs
