

Training Program Schedule:

9 a.m.

National Program of Emphasis – Marc Jacobs/Visitor

The goal of this training is to promote the National Jamboree explaining relevant information and answering questions in the hopes to allow newer Arrowmen to have the information to possibly attend.

Lodge Operations –

The goal of this training is to help lodge officers and leaders in developing the skills they need to have a successful lodge year. However, the most crucial benefit this will have is an open forum to ask any burning questions they may have and workshop solutions with members from other lodges.

10 a.m.

Welcome to the OA – Luis West

The goal of this training is to expose new arrowmen to the opportunities available on the lodge and section level. Hopefully they will walk away inspired and ready to get involved with their lodges and chapters!

OAHA Promotion and Exposure – Greg Yentz/interested youth

The goal of this training is to promote the high adventure programs explaining relevant information and answering questions in the hopes to allow newer Arrowmen to have the information to possibly attend.

11 a.m.

Promotions –

The goal of this training is to help up and coming or experienced leaders develop a suite of tools for promotions to help their lodge events succeed. The goal would be a brief introduction to all aspects of promotions including everything from social media to newsletters to emails.

Intro to Ceremonies – Carson Crockett

The goal of this training is to help any new ceremonialists (or even just those interested) get the relevant knowledge and starting practice to develop their ceremonial skills. Run largely like a discussion, this collaborative process will allow members to develop into thriving ceremonialists.
